HEARING OF THE PUBLIC

There being no public comment, President Ted Parker moved to the business portion of the agenda.

Discussion took place regarding the budget, Option A and Option B.

Points:

- *Workers Comp increase
- *Police – The Chief & 1 officer in the daytime, 2 officers on the night shift
- *Put \$5,000 back into police computers they need 3 laptops, old ones are Windows 7 and we must be compatible to the County dispatch.
- *MMA has agreed to an additional \$750.00 for this years budget, but this is a one time increase.
- *Plowing is a concern, not enough men to plow.
- *There are only 4 Public Works at this time.
- *Rolling deficits need to stop, not a way to do a budget.
- *Judith will check about the 1.6 mil and see if it is in the budget figures.
(the mils were listed wrong on the draft)
- *Judith will check if we can vote on an EIT budget if we have not voted to install an EIT.
