

Public Library Modifications

Given the rise in COVID-19 cases, Morrisville Public Library will revert to front door pick up mode services beginning Wednesday, November 25th and continuing through the end of the year, at which time we will re-evaluate whether it is appropriate to resume normal operations.

After November 25th access to physical library materials will be provided via front door pick up on Monday – Thursday 11:00 AM to 6:00 PM and Saturday 10:30 AM to 4:30 PM.

Telephone and online services will continue including our wide array of virtual programs and activities.

Access to the library system is available 24/7 online at buckslib.org.
