Morrisville Borough will be completing road resurfacing on Hillcrest Avenue, from Barnsley Avenue to Stockham Ave, and North Lafayette Avenue, from Hillcrest Avenue to Clymer Avenue. Construction is tentatively scheduled to begin on September 11, 2023, and will consist of milling and paving of the roads. The work is anticipated to take 4-5 days to complete, weather dependent. Access will be limited to local traffic only. All street parked vehicles should be removed between 6AM to 7PM during working days, any vehicles not relocated will be towed at the owner's expense. In addition, trash and recycling on the effected roads will begin at 6AM to not interfere with the work.
